

WINDEV Mobile License Agreement

By installing and using WINDEV Mobile, you agree to the terms of the following license:

The COMPANY shall mean PC SOFT, whose head office is located at 3 rue de Puech Villa, BP 444 08, 34197 Montpellier, France.

CUSTOMER shall mean the original customer (either individual or company) who purchased a license.

SOFTWARE shall mean WINDEV Mobile, for the current version and for any updates available to the CUSTOMER. If an update has its own license, its own terms will apply instead.

APPLICATION shall mean a program or a set of programs developed with the SOFTWARE.

1. License

This user license is granted to the CUSTOMER in exchange for the payment of a purchase price.

This SOFTWARE shall be used on a single computer by a single person at a time. The SOFTWARE is considered used as soon as it is loaded in the "computer memory" (also called RAM).

This license is granted only after full payment of rights as indicated on the price list on the day of the purchase.

2. SOFTWARE ownership

This SOFTWARE is the property of the COMPANY. The CUSTOMER has only purchased the right to use the SOFTWARE.

3. Backup copy

The CUSTOMER is authorized to download a backup copy to reinstall the SOFTWARE.

Reproducing the documentation, in part or in full, is strictly forbidden.

4. Use

The CUSTOMER agrees to use the SOFTWARE for its intended purpose. Modifying, trying to modify, disassembling, or trying to disassemble this SOFTWARE is forbidden. The CUSTOMER shall not remove (or try to remove) the copyright mentions that may be displayed and/or included in the SOFTWARE.

The SOFTWARE shall not be rented, leased or shared.

The SOFTWARE shall not be used to create and distribute all or part of a development tool, software

for application creation and program building, or any other software similar to the SOFTWARE. Contact us if you have any questions.

The photographs, illustrations and images contained in the examples, templates, skins and skin templates can only be used in their initial context. Any use, reproduction, representation, adaptation or copy, in full or in part, in any format, by any existing or forthcoming process, is forbidden.

The images and animations available from the image catalog must be exclusively used in the APPLICATIONS developed with the SOFTWARE. These images shall not be sold or distributed. Their use in products or sites other than the APPLICATION is forbidden.

The images cannot be separated from the APPLICATION that uses them.

5. Royalties

The CUSTOMER in possession of a duly registered SOFTWARE license has the rights to distribute the execution modules required to run the stand-alone programs, for the sole purpose of running the programs developed with the SOFTWARE.

Such programs shall not be a plain duplication or recompilation of the modules or examples supplied with the SOFTWARE. Contact the COMPANY if you have any questions.

The HFSQL engine can be distributed with any APPLICATION developed with the SOFTWARE, provided that more than 50% (fifty per cent) of it is used by one or more WINDEV Mobile applications. 50% represents the number of features actually used in the application.

For any other use in another language or by another method, a SOFTWARE LICENSE is required for each server that uses HFSQL, in the same version as or in a later version than HFSQL (for example, WINDEV Mobile 2024 to use HFSQL Client/Server).

If HFSQL is used on a single computer (laptop, desktop PC, etc.), this computer is considered as a server.

Therefore, if HFSQL is mainly used by a software not developed by WINDEV, WINDEV Mobile or WEBDEV, it CANNOT be distributed.

Contact the COMPANY if you have any questions.

6. Absence of liability

The SOFTWARE and the documentation are sold as is, WITHOUT ANY WARRANTY as to performance, merchantability or fitness for any particular purpose. The COMPANY shall not be held liable for damages of any nature whatsoever, including data loss or deterioration, financial or operational loss, discrepancy between the information contained in the documentation and the actual behavior of the SOFTWARE, or in case the SOFTWARE behaves differently than expected. The entire risk as to the

results and performance of programs created with the SOFTWARE is assumed by the CUSTOMER.

7. Limited warranty

If the dongle is damaged, the CUSTOMER can obtain a new one from the COMPANY, provided that the damaged dongle is returned at the time of their request.

NO DONGLE CAN BE PURCHASED SEPARATELY. The only way to get a new dongle is to buy a brand new product. Do not misplace the dongle. We advise you to make sure you have an insurance policy that covers theft, loss or destruction (fire, etc.) of this dongle.

Replacement items will be invoiced.

If the dongle becomes defective within three months from the date of purchase, the COMPANY will replace the dongle without charge, excluding shipping costs. Parcels will be accepted only if delivered postage paid and tax-free. The return postage will be invoiced; including express shipping and proof of delivery. This warranty shall not apply if the items become defective due to an accident or mishandling.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights. The CUSTOMER and the COMPANY agree that the SOFTWARE is not intended as "Consumer Goods" under warranty laws of USA.

The COMPANY maintains a policy of ongoing updates and product improvement. Provided that the CUSTOMER has previously returned the registration card, the COMPANY shall provide the CUSTOMER with either copies of updated material or notification of availability and price schedules where appropriate.

In the event legal action is brought by either the CUSTOMER or the COMPANY to enforce the terms of this license agreement, the prevailing party shall be entitled to recover reasonable attorney fees and expenses in addition to any other relief deemed appropriate by the court.

8. Special cases

8.1 Features linked to services

Before using a feature related to other services or applications, and in particular to Google, we strongly advise you to refer to the corresponding license agreements.. Some restrictions may apply. The content of the licenses may change over time.

The COMPANY declines all responsibility for the use that may be made of the native access functions. Please make sure that you comply with the license of service provider.

8.2 Applications developed for an Apple system (iPhone, iPad, ...)

Caution: Any APPLICATION developed with the SOFTWARE and intended to run on Apple hardware

may have to comply with one or more Apple licenses.
